INSTRUCTIONS TO BIDDERS

1. Receipt and Opening of Bids

Chilton Water Authority (herein called the “Owner”), invites bids on the form attached hereto, all blanks of which must be appropriately filled in.

Bids will be received at the office of Chilton Water Authority located at 19246 Highway 31 North, Clanton, Alabama 35045, until **10:00 a.m.**, local time, on **Wednesday, January 29, 2025**, and then at said office publicly opened and read aloud. Envelopes containing bids must be sealed, addressed to Chilton Water Authority, 19246 Highway 31 North, Clanton, Alabama 35045, and designated as bid for “**Grass Mowing Bid, Chilton Water Authority**”.

The Owner may consider informal any bid not prepared and submitted in accordance with the provisions hereof and may waive any informalities or reject any and all bids. Any bid may be withdrawn prior to the above scheduled time for opening of bids or authorized postponement thereof. Any bid received after the time and date specified shall not be considered. No bidder may withdraw a bid within ten (10) days after the actual date of the opening thereof.

2. Preparation of Bid. All sealed bids **must be submitted on the form as issued in the Bid Documents**. All bids must be submitted in a sealed envelope bearing on the outside the name of the Bidder, Bidder’s address, and name of the project: “**Grass Mowing Bid, Chilton Water Authority**”. Envelopes containing bids must be addressed as follows and delivered to: **Chilton Water Authority, 19246 Highway 31 North, Clanton, Alabama 35045**. Bidder assumes full responsibility to mail or deliver his/her bid to assure its arrival on time.

3. Examination of Bid Documents and Sites. It shall be the responsibility of the Contractor to carefully examine the Bid Documents and the Work Sites. Bids shall include all costs required to execute the work under the existing conditions. Extra payments will not be made for conditions that can be determined by examining the documents and the work sites. Direct inquiries and questions can be submitted to the Project Engineer as noted below:

Angela Henline, P.E.
The Cassidy Company, Inc., 4700 Highway 69 North, Northport, Alabama 35473
Phone: 205-330-0098; Email: ahenline@thecassadyco.com

4. Tax Exemption. Chilton Water Authority is an Incorporated, Tax Exempt, Public Body in accordance with Chapter 88 Title 11 code of Alabama 1975. The Alabama Sales Tax Exemption Number is EX-706 and a copy of this exemption certificate can be furnished to the successful bidder.

5. Alabama Licensed Contractor. All Bidders submitting bids in excess of Fifty Thousand Dollars (\$50,000.00) must be licensed contractors in the State of Alabama and must give their License Number on their Bid Form. Contracts less than Fifty Thousand Dollars (\$50,000.00) will not require a general contractor's license; however, all other requirements shall remain the same.

6. Qualifications of Bidder. The Owner may make such investigations as deemed necessary to determine the ability of the Bidder to perform the work, and the Bidder shall furnish to the Owner all such information and data for this purpose as the Owner may request. The Owner reserves the right to reject any bid if the evidence submitted by, or investigation of such Bidder fails to satisfy the Owner that such Bidder is properly qualified to carry out the obligations of the contract and to complete the work contemplated therein. Conditional bids will not be accepted. Qualifications include, but are not limited to, the following:
 - A. No proposal will be considered from any Contractor without reasonable large scale mowing experience. **The Bidder must provide references of previous commercial jobs performed that are comparable in size and scope to the services requested by Chilton Water Authority in this bid proposal.** A lack of adequate references in a bid submission is a basis for rejection of a bid.

 - B. The Owner reserves the right to inspect the Contractor's mowing equipment to ensure the Contractor is qualified to perform the work as outlined in these documents. The Bidder must have the requisite equipment on hand to perform all services to the satisfaction of Chilton Water Authority. **An equipment list must be presented in the bid packet.** Omission of an equipment list in a bid submission is a basis for rejection of a bid. The Owner reserves the right to reject the bid if in the Owner's opinion the Contractor cannot successfully execute the contract with his mowing equipment.

 - C. Personnel employed by the selected Bidder (Contractor) must pass the same **background checks** provided by Quality Counts Inc. and required of all Chilton Water Authority employees. Background checks will be required annually. If the Contractor desires to extend the contract up to two years, the annual background check is to be performed in February of that year. Contractor must provide to Chilton Water Authority the names and contact information of the employee(s) who are in possession of keys required to access Chilton Water Authority property. One of these said employees must always remain on site while work is being performed. This employee must have the ability to communicate with a Chilton Water Authority representative.

7. Conditions of Work. Each bidder must inform himself/herself fully of the conditions relating to the construction of the project and the employment of labor thereon. Failure to do so will not relieve a successful bidder of his/her obligation to furnish all material and labor necessary to carry out the provisions of his/her contract. Insofar as possible, the Contractor, in carrying out the work, must employ such methods or means as will not cause any interruption of or interference with the work of any other contractor.

8. Interpretations. No interpretation of the meaning of the Information to Bidders, Technical Specifications, or other bid documents will be made to any bidder orally.

Any and all such interpretations and any supplemental instructions will be in the form of written addenda to the specifications which, if issued, will be emailed to all prospective bidders (at the respective email addresses furnished for such purposes), not later than 24 hours prior to the date fixed for the opening of bids.

Failure to any Bidder to receive any such addendum or interpretation shall not relieve such Bidder from any obligation under his/her bid as submitted. All addenda so issued shall become part of the contract documents.

9. Notice of Special Conditions. Attention is particularly called to those parts of the contract documents and specifications which deal with the following:

- a. References
- b. Equipment List
- c. Background Check
- d. Insurance Requirements
- e. Stated Allowances

10. Laws and Regulations. The Bidder's attention is directed to the fact that all applicable State laws, municipal ordinances, and the rules and regulations of the project shall apply to the contract throughout, and they will be deemed to be included in the contract the same as though herein written out in full.

11. Method of Award - Lowest Qualified Bidder. If, at the time this contract is to be awarded, the lowest Base Bid submitted by a responsible Bidder does not exceed the amount of funds then estimated by the Owner as available to finance the contract, the contract will be awarded on the Base Bid only. If such bid exceeds such amount, the Owner may reject all bids or may award the contract on the Base Bid combined with such deductible alternates, or any proportion thereof, applied in any order, as produces a net amount which is within the available funds. The availability of maintenance, insurance, references, specified equipment, and compliance to bid specifications are all considered as elements of responsiveness.

12. Obligation of Bidder. At the time of the opening of bids, each Bidder will be presumed to have inspected the site and to have read and to be thoroughly familiar with the plans and contract documents (including all addenda). The failure or omission of any bidder to examine any form, instrument, or document shall in no way relieve any bidder from any obligation in respect of his/her bid.

13. Safety Standards and Accident Prevention. With respect to all work performed under this contract, the contractor shall:

- A. Comply with the safety standard provisions of applicable laws, building and construction codes, and the "Manual of Accident Prevention in Construction" published by the Associated General Contractors of America, the requirements of the Occupational Safety and Health Act of 1970 (Public Law 91-596), and the

requirements of Title 29 of the Code of Federal Regulations, Section 1518 as published in the "Federal Register", Volume 36, No. 75, Saturday, April 17, 1971.

- B. Exercise every precaution at all times for the prevention of accidents and the protection of persons (including employees) and property.
 - C. Maintain at his/her office or other well-known place at the job site, all articles necessary for giving first aid to the injured and shall make standing arrangements for the immediate removal to a hospital or a doctor's care of persons (including employees), who may be injured on the job site before the employer has made a standing arrangement for removal of injured persons to a hospital or a doctor's care.
14. Contract Documents and Files. Contractor to hold all files and documents related to the project for three years after the project has been closed out.
15. Modifications and Withdrawal of Bids. Bids may not be modified after submittal. Any Bidder may withdraw his bid, either personally or by written request, at any time prior to scheduled time for opening bids. No Bidder may withdraw his bid for a period of ten (10) days after date set for opening thereof, and all bids shall be subject to acceptance by Owner during this period.
